Expert Feedback

Essay

You have repeated the same content / idea multiple times.

Try not to repeat the same content and idea again and again. instead use synonyms and paraphrase

There are many spelling mistakes.

Work on Spellings.

Failing to give appropriate example.

The response is irrelevant to the prompt.

Speaking

You have taken pause for more than 3 seconds.

Do not pause for more than 3 seconds while answering, since the microphone will switch off automatically if you stop speaking.

You are using too many fillers.

There should be a continuity in your answer. Avoid using too many fillers like "umm", "uhh", etc.

Speech is too slow and not fluent.

Try to speak little fast and improve your oral fluency means effortless, smooth and naturally.

Pronunciation not acceptable.

Try to speak more clearly and improve your pronunciation. Learn to break the difficult word in parts and pronounce it combined.

 Flat tone of speech. Not giving stress on appropriate words and speaking in a monotone.

Kindly stress important words and take proper pause. No not speak in flat monotonous voice as it may affect your Oral Fluency and Speaking Scores.
